

PV-1000 Lite

Full HD 5" High Definition Portable DVR

**Extremely Light ! Without heavy HDD!
Store up to 128G !**

Features

Support 128G SD card

With the heavy hard disk removed, this Lite version is extremely light and supports up to 128G memory card.

1080p Full High Definition Recording

Six recording modes selectable from lowest 320X480@30fps to highest 1920x1080 @30fps

Video Recording and Photo Capture

Allows you to take still pictures while recording or when playing back videos.

Adjustable fps(frame per second)

To user's preference fps is adjustable, ranging from 1fps to 30fps.

Tamper-Proof Frame Counter

Watermarked with a counter indication in each frame. The recorded video file is tamper proof, a solid evidence for law enforcement units.

Pre-Event Recording

Ideal function for police and security guard, as soon as the record function is triggered the video automatically trace back 15 seconds before the record button is pressed. No incident will be missed, everything is recorded.

Multi-Layer Password Protection

Absolute security password protection over power on and USB connection to prevent unauthorized data download/deletion.

Documentary Log File Ready

The log file documents all activities on the unit from the moment when the unit is turned on until power off. A solid evidence to the court.

Note: Please do not use DC 5V/2A charger to charge PV-1000 Lite. It may cause damage to the device.
