

BA-0512

Duo Output Lithium Rechargeable Battery

Feature

- * *Dual output power for most range of portable electronic device use*
- * *Compatible to portable lithium-ion battery pack BA-4400, having 4400mA capacity*
- * *LED indicator to show battery capacity*
- * *Lockable connector ideal for sporting activities use*
- * *DC wall charger compatible*
- * *Swappable battery pack design*
- * *Short charging time, long battery life*
- * *Complementary Europe adapter plug*

Specification

BA-0512

Compatible Battery Model

Battery BA-2200、BA-4400

Battery Output Current 2200mA、4400mA

Charging

Charge Time BA-2200: 3 hours
BA-4400: 6 hours

Current 800mA

Temperature

Operation 0°C ~ 60°C

Storage -20°C ~ 80°C

Power Output

Voltage 5V & 12V

Max Current 500mA & 300mA

Charging Constant Voltage 0% ~ 90%

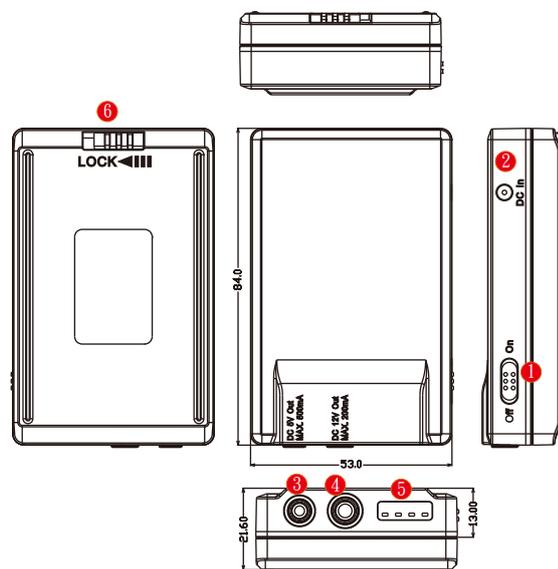

Charging Constant Current 90% ~ 100%

Physical

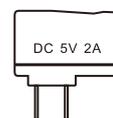

Dimension 84x53x26mm

Weight 145g (/w BA-4400)
