

# BA-0512

## Duo Output Lithium Rechargeable Battery

### Feature

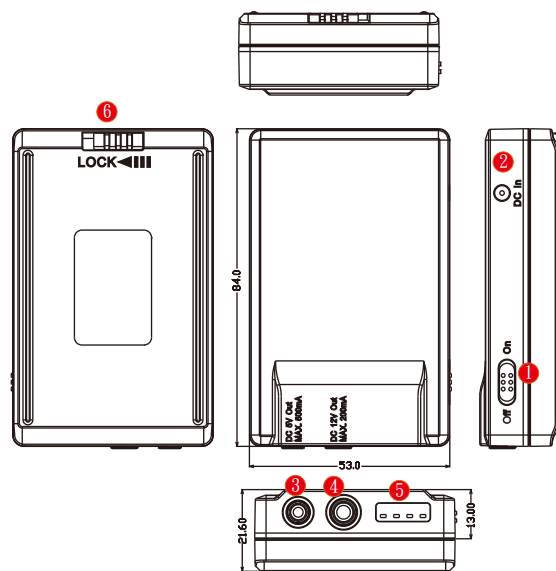

- \* Dual output power for most range of portable electronic device use
- \* Compatible to portable lithium-ion battery pack BA-4400, having 4400mA capacity
- \* LED indicator to show battery capacity
- \* Lockable connector ideal for sporting activities use
- \* DC wall charger compatible
- \* Swappable battery pack design
- \* Short charging time, long battery life
- \* Complementary Europe adapter plug

### Specification

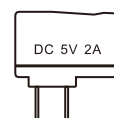

#### BA-0512

Compatible Battery Model	
Battery	BA-2200、BA-4400
Battery Output Current	2200mA、4400mA
Charging	
Charge Time	BA-2200: 3 hours BA-4400: 6 hours
Current	800mA
Temperature	
Operation	0°C ~ 60°C
Storage	-20°C ~ 80°C
Power Output	
Voltage	5V & 12V
Max Current	500mA & 300mA
Charging Constant Voltage	0% ~ 90%
Charging Constant Current	90% ~ 100%
Physical	
Dimension	84x53x26mm
Weight	145g (/w BA-4400)
